

Boarding

We offer an inimitable "home-away-from-home" boarding environment run by experienced and caring staff. Saint Vincent and Saint Theresa each can accommodate up to 40 learners and we accept both boys and girls from Grade 6 to Matric.

Pastoral Care

We have a distinctive Catholic ethos grounded upon the motto of the Brothers of Charity (Deus Caritas Est – God is Love). We believe the guiding principles for the provision of a safe and supportive school environment are:

Providing a loving, caring and secure environment that

- ▶ values our diverse culture.
- ▶ recognises that each learner will be treated with dignity and respect.
- ▶ implements policies and programmes that ensures the whole care of the learner.
- ▶ promotes value-based education where sound choices are encouraged.
- ▶ recognises the learning needs of the child.
- ▶ encourages each learner to think about the needs of others and to contribute to the school and the greater community.
- ▶ focuses on life-giving relationships at all levels of the school.

Vision

The vision of Saint Conrad's College is to be a leading Catholic school in pursuit of excellence.

Mission

The mission of the College is to mobilise the community, parents, staff and learners, with a common vision to serve God and humanity by developing learners' talents holistically so that the learner may become a worthy member of society.

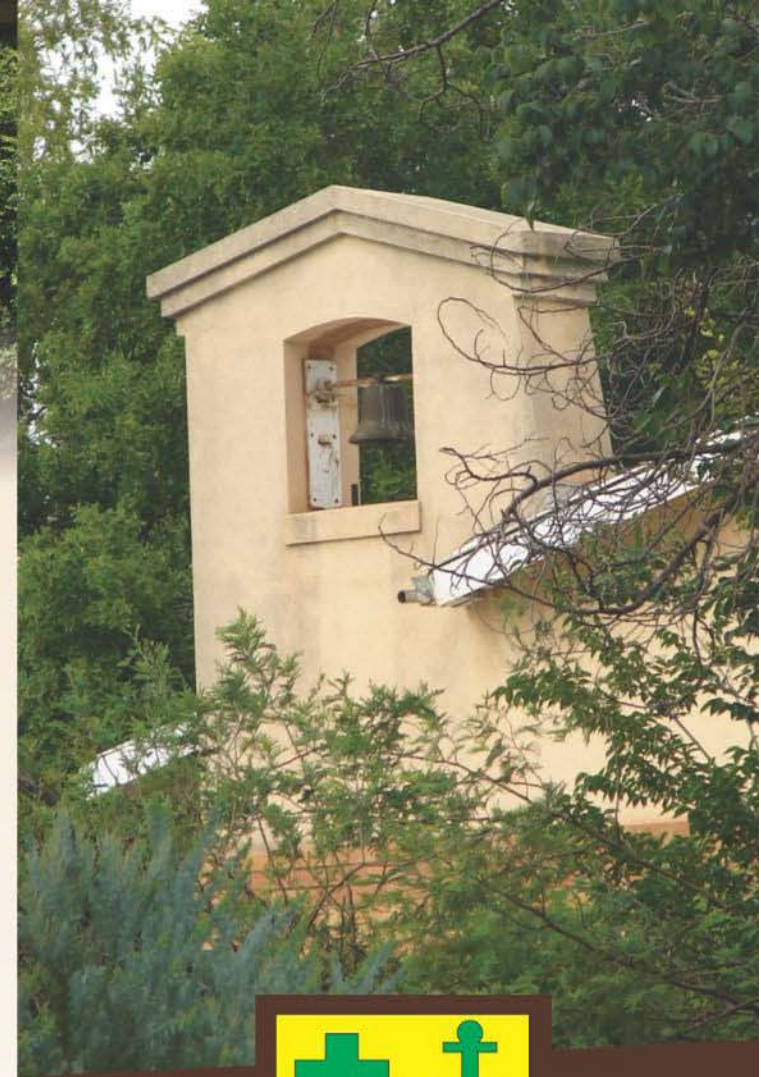

Objectives

We at Saint Conrad's College, founded by the Brothers of Charity endeavour to live out our motto "Deus Caritas Est" – God is love. We believe that by creating a Christian environment whereby the principles of love, truth and justice become the criteria for life's decisions, the dignity and rights of all are respected.

At Saint Conrad's College we challenge our children to grow and learn in mutual understanding and respect.

SAINT CONRAD'S COLLEGE
BROTHERS OF CHARITY

Why Saint Conrads?

At Saint Conrad's College we offer a time-honoured tradition of academic, prestige, sporting triumphs and a solid value-based educational approach that is all-embracing, providing the basis for outstanding and balanced schooling.

Our education is inspired by Christian values including the Catholic ethos and tradition. The heart of the school is the Chapel where we serve out the motto "Deus Caritas Est" - "God is Love".

As an extension of this, the school has a dynamic Outreach programme, enhancing the lives of underprivileged communities and all learners are encouraged to become involved on an interactive level, developing life-skills such as social awareness and teamwork. A Youth Group offers learners a relaxed atmosphere in which to explore their spiritual issues.

Saint Conrad's College recognises that every child is a unique learner of God. This enables us to foster a spiritual awareness that becomes an enlightened way of life. Education is an integrated whole: we prepare our learners to reach their full potential spiritually, intellectually, physically and socially in order for them to take their place in society, endowed with a sense of service to others.

High School

Saint Conrad's College High School provides a free-thinking, stimulating academic environment in which we foster a positive, productive and purposeful approach to life beyond school.

Learners are exposed to a multitude of presentations, tours, speakers, trips, practical exercises and analytical projects. They also participate in a wide variety of olympiads, expositions, competitions and festivals.

We are pace-setters in the educational application of technology and offer real and relevant subject choices to prepare our learners eventually to transform their communities in unique, visionary ways.

We have educators who are committed, experienced, professional and who motivate and inspire learners to fulfill their true potential.

We have high academic standards and a structured, safe, nurturing learning environment with excellent disciplinary structures, procedures, as well as positive values and pastoral care.

Sport

Physical fitness complements academic prowess. At Saint Conrad's College we encourage physical activity. We encourage every learner to engage in sporting activities, because through sport we expose learners to teamwork, competition; the benefits of physical exercise, and the idea of achieving one's personal best. Sport is a critical part of learners' social, intellectual and physical development.

Culture

Saint Conrad's College provides learners with exciting opportunities for expressing themselves and enjoying creative teamwork. The activities we offer are; drama, art, public speaking, debating, music, choir and creative writing.

It is the school of choice
