

## **ADMISSION AGE POLICY FOR LEARNERS IN LITTLE SAINTS**

All parents, siblings and new learners who wish to enter the Little Saints Phase need to be interviewed by the Little Saints Phase Head.

The Head of the Primary School must sign off the Application file.

Our policy is as follows:

### **GRADE RRR:**

Age: 3 turning 4 in the same year.

### **GRADE RR:**

Age: 4 turning 5 in the same year.

### **GRADE R:**

Age: 5 turning 6 in the same year.

If the learner is not of the correct age, an interview may be arranged with the prospective parents during which criteria for admission to Little Saints will be discussed and it will be at the discretion of the Primary School Head whether the learner will be admitted or not.

All learners must be fully potty/toilet trained.

In some circumstances a Grade R learner might have to repeat Grade R if the educator and Phase Head deem the learner not ready for formal education in Grade 1. The lack of progress will be communicated to the parent during the year.
