

Sport

Physical fitness complements academic prowess. At Saint Conrad's College we encourage physical activity. In Little Saints we offer mini cricket, hockey, swimming and tennis as well as playball that forms part of the curriculum. In the Primary School we offer tennis, soccer, hockey, cricket, netball and swimming.

Culture

Saint Conrad's College provides learners with exciting opportunities for expressing themselves and enjoying creative teamwork. Activities on offer are drama, art, public speaking, debating and music.

Pastoral Care

We have a distinctive Catholic ethos grounded in the motto of the Brothers of Charity (Deus Caritas Est – God is Love). We believe the guiding principles for the provision of a safe and supportive school environment are:

- ▶ Providing a loving, caring and secure environment that
- ▶ values our diverse culture
- ▶ recognises that each learner will be treated with dignity and respect
- ▶ implements policies and programmes that ensures the whole care of the learner
- ▶ promotes value based education where sound choices are encouraged
- ▶ recognises the learning needs of the learner
- ▶ encourages each learner to think about the needs of others and to contribute to the school and the greater community and
- ▶ focuses on life giving relationships at all levels of the school

Vision

The vision of Saint Conrad's College is to be a leading Catholic school in pursuit of excellence.

Mission

The mission of the College is to mobilise the community, parents, staff and learners, with a common vision to serve God and humanity by developing learners' talents holistically so that the learner may become a worthy member of society.

Objectives

We at Saint Conrad's College, founded by the Brothers of Charity endeavour to live out our motto "Deus Caritas Est" – God is love. We believe that by creating a Christian environment whereby the principles of love, truth and justice become the criteria for life's decisions, the dignity and rights of all are respected.

At Saint Conrad's College we challenge our children to grow and learn in mutual understanding and respect.

SAINT CONRAD'S COLLEGE
BROTHERS OF CHARITY

Why Saint Conrads?

At Saint Conrad's College we offer a time-honoured tradition of academic, prestige, sporting triumph and solid values with a spiritual approach that is embracing, providing the basis for outstanding and balanced schooling.

Our education is inspired by Christian values including the Catholic ethos and tradition. The heart of the school is the Chapel where we live out the motto "Deus Caritas Est" - "God is Love".

As an extension of this, the school has a dynamic Outreach programme, enhancing the lives of underprivileged communities and all learners are encouraged to become involved on an interactive level, developing life-skills such as social awareness and teamwork. A youth group offers learners a relaxed atmosphere in which to explore spiritual issues.

Saint Conrad's College recognises that every child is an unique learner of God, this enables us to foster a spiritual awareness that becomes an enlightened way of life. Education is an integrated whole - we prepare our learners to reach their full potential spiritually, intellectually, physically and socially in order for them to take their place in society endowed with a sense of service to others.

Little Saints

We at Little Saints are one, big happy family. In an environment of love and care we strive to nurture our little ones to be alert to opportunity, determined to succeed and be helpful to humanity. Under the banner of our motto "Deus Caritas Est", we encourage the understanding that talents and strengths are gifts from God to be cherished.

It's through play, talking, singing, laughing and interacting with the environment that children can be prepared for their first day at school. The activities equip the learners with the necessary skills to cope with the emotional, social, normative, physical and intellectual demands of 'big school'.

Unrestricted movement, exploration and laughter develop creative minds and at the same time the children have lots of fun!

Foundation Phase

Our curriculum is designed to enhance every learner's basic skills, knowledge, attitudes and values of the three learning programmes: Literacy, Numeracy and Life Skills. We offer a structured, safe, nurturing learning environment with good disciplinary structures, positive value based education and pastoral care.

Intermediate Phase

Our Intermediate Phase uses progressive teaching methods in small classes. Carefully selected, professional, dedicated educators encourage individual expression and questioning of ideas as they impart the knowledge, skills and attitudes for the 21st century (real world success)

After Care

Extra lessons, educator support, remediation, counselling, homework study, specialist therapy and the after care facility from Grade RRR – 7, all ensure that the commitment to excellence in education is honoured at all times. Life coaching empowers our learners with hope and vision for the future and answers to the unique challenges learners are faced with daily.

Boarding

We offer an inimitable "home-from-home" boarding facility run by experienced caring staff. Saint Vincent and Saint Theresa each home 40 learners and we accept both boys and girls from Grade 6 to Matric.
